Søgning

Social Care Online er baseret på google søgning, der kan kombineres med en række søgefiltre. Bemærk særligt filtrene **subject terms** – henviser til validerede emneord, der kan benyttes til yderligere begrænsning af søgeresultatet og **content type** – udvælgelse af materiale type.

The screenshot shows the Social Care Online search interface. At the top left is the logo for 'scie social care institute for excellence'. Navigation buttons include 'Home', 'Advanced search', 'Using our data', 'About', 'Help', and 'Sign out'. The search bar contains the term 'somali' and a 'Search' button. On the left, a 'Filter results' sidebar shows 'Full text' (Free, 9), 'Format types' (journal article, 47; book, 11), and 'Publication year' (2016, 1). The main search results area shows 'Search results for 'somali'' with a 'Sort: Relevance' dropdown and 'Results 1 - 10 of 58'. The first result is 'Citizenship among young adult Somalis in Norway' by FANGEN Katrine, published in the 'Young Nordic Journal of Youth Research' in 2007. A 'More information' link is visible below the article snippet. On the right, a 'Key to icons' section lists symbols for Free resource, Journal article, Book, Digital media, Extended abstract, and Journal. Below that is a 'Give us your feedback' section with a text input field and a 'Submit' button.

Under 'more information' finder du postens tilknyttede thesaurus emneord.

Term information

The screenshot shows the 'Term information' page for the subject term 'black and minority ethnic people'. The page is structured as follows: 'Term: black and minority ethnic people', 'Term details for 'black and minority ethnic people'' (with a button 'Oplysninger om emneord.'), 'Broader terms' (people), 'Narrower terms' (African Caribbean people, African people, Asian people, Gypsies, Hispanic people, Irish people, Jewish people, mixed race people, travellers), 'Related terms' (anti-racist practice, communities, cultural identity, ethnicity, immigrants, race relations, racial discrimination), 'Search again for:', and 'Related resources' (Find resources associated with the subject term black and minority ethnic people).

Opdelt i følgende kategorier: Broader terms – overordnet emneord, Narrower terms – mere præcise emneord, Related terms – forslag til yderligere relevante emneord.

Disse emneord kan med fordel benyttes til en mere målrettet søgning og anvendes i en avanceret søgning.

Family-Level factors, depression, and anxiety among African American children: a systematic review

Authors: WASHINGTON Tyreasa, et al
Journal article citation: Child and Youth Care Forum, 46(1), 2017, pp.137-156.
Publisher: Springer

Background: The reported prevalence of depression and anxiety among African American children and adolescents and their negative sequelae suggest a need to further explore factors that may be protective of depression and anxiety among this population. Objective: The aim of this review was to examine empirical studies that focus on the association between family-level factors (e.g., parenting... (Edited publisher abstract)
